

AWIN Quick Start Guide: Companies, Capabilities & Contacts

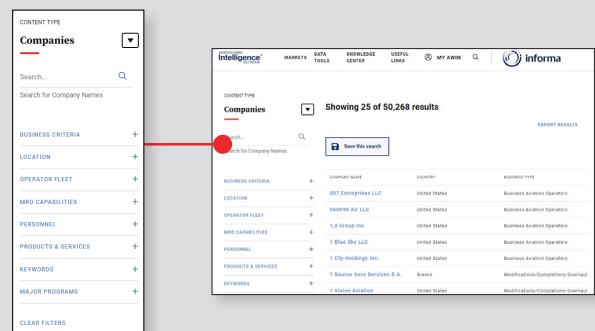

To view the 50,000+ companies within AWIN's database, click on the **COMPANIES** button on the homepage.

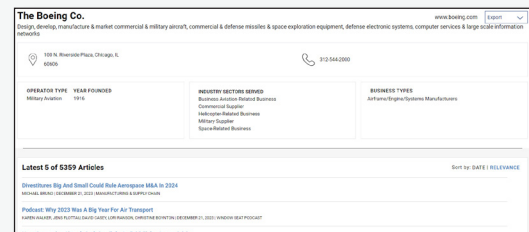

Within the companies page, you can either perform a general search or use filters for a more advanced search to find information on the company you're searching for.

The filters available when performing an advanced search include:

- Business Criteria
- Location
- MRO Capabilities
- Personnel
- Products & Services
- Keywords
- Major Programs

Select the company you're looking for to view the company profile, contact information, relevant articles, personnel, products and services, programs, related organizations, aircraft and engine fleet and more. Note that fields within company pages may vary.
