

NDC: The myths.

- ‘Not Mature technology yet.’
- ‘NDC doesn’t have full-service capacities.’
- ‘Cannot be shared on one screen with GDS.’

NDC: Is Very Mature.

- The technology is working as intended.
- It's the legacy Air Channel services that aren't mature.

NDC: Full Service. All can be done.

Book, Shop, Issue, Ancillaries, Reshop, Reissue, Service Flight disruption, Cancel, Refund, Use Credits, Split Bookings. More...

NDC: NDC can be shared with GDS results.

- NDC, GDS and LCC can be shared and serviced on the same screen. That's a fact.

NDC: Get Ready.

IATA & ATPCO have stated that by 2026 that 80% of all IATA ticket transactions will be via NDC.

It's currently 15%. Three years!
