

Asia Aerospace Leadership Forum & MRO Asia-Pacific Awards Dinner 2022

Singapore | September 19, 2022

The combined Asia Aerospace Leadership Forum & MRO Asia-Pacific Awards Dinner will take place on 19 September 2022 in Singapore, in conjunction with MRO Asia-Pacific organised by Aviation Week Network.

This unique hybrid event will provide a platform for regional aerospace and aviation leadership to share their latest thinking on state of the market, before going on to celebrate the 2022 MRO Asia-Pacific award winners at a Gala dinner.

Engage in high-level strategic dialogue around Asia Pacific market developments

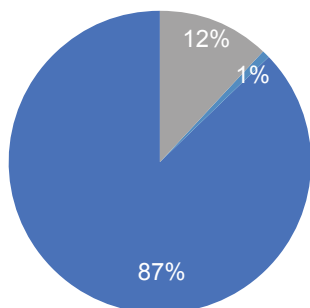

Meet senior executives attendees from Asia's Aerospace and MROs industry

Experience a unique and exclusive evening event with superb networking opportunities

- Lessors

“

It was not only nice to attend but the candid discussions from these major companies was insightful. The industry needs to work together and continue to share information like this. So refreshing to meet again in person during this well organised event. Spot on. Thanks to AWN!

Ekkehard Pracht,
General Manager Aerospace,
Liebherr Singapore
