Kennedy Airport Takeoffs Disrupted by Turtle Nesting Ritual

Mother Nature is delaying travelers at New York's John F. Kennedy International Airport, and the weather has nothing to do with it.

Flight is delayed when a passenger opens emergency exit door for fresh air

In the latest episode of people doing bizarre things onboard a flight...

Bit flips: How cosmic rays grounded a fleet of aircraft

'First time': Snake found on Aussie flight

Ever had to sit next to someone on a plane you wish you didn't? Count yourself lucky it wasn't this slithering sightseer.

Cat in the Cockpit: Free-Roaming Feline Causes 4-Hour Flight Delay
